InsideWeb

NEW - InsideWeb Database Soon Available

Soon subscribers to Secure STINET may gateway to the British Library Document Supply Centre **InsideWeb** database. This electronic table of contents service indexes thousands of journals and conference proceedings and offers document delivery services for copyright-cleared articles indexed in their database. By choosing the journals, authors, or subjects that are most relevant, DTIC users can stay up-to-date on new developments in their field world-wide.

The Secure STINET gateway to InsideWeb represents a significant savings to our customers. The advertised annual single site license for InsideWeb is $1450.00. Your Secure STINET subscription, currently $50 per year, will save you this site license fee.

Available after Winter 1997!
